OUR PATH

Long tradition of scholarly-led publishing

OPERAS-HR community cooperation

European Diamond Capacity Hub (EDCH)

Memorandum of Understanding signed 2025

Croatian Centre for Diamond OA established

About the Centre

CroDOA will support Diamond OA journals and books by improving editorial quality, providing training and shared services, promoting sustainable funding, and aligning Croatian publishing with European guidelines and the Croatian OS Plan while preserving its community-led character.

Partners

- University of Zadar (OPERAS National Node for Croatia)
- University of Zagreb University Computing Centre (SRCE)
- University of Zagreb Faculty of Humanities and Social Sciences
- Croatian Association for Scholarly Communication (ZNAK / CROASC)
- National and University Library (NSK)

Objectives

- Promote and support Diamond OA publishing in Croatia
- Strengthen Croatia's role in sustainable and open scholarly publishing initiatives
- Provide expert, technical, legal, organizational and educational support to Croatian publishers
